ORDER RENEWING THE LIMITED CERTIFICATE

---

By application dated July 1, 1993, Mr. Pischke filed his application for certification as a physician's assistant in the State of Wisconsin. Because Mr. Pischke indicated on his application that he had received inpatient or outpatient care for mental illness, he was asked to appear for oral examination in connection with his application. The oral examination was conducted on February 2, 1994 by the Council of physician's assistants, and the board considered the application on February 23, 1994.

Mr. Pischke and the board thereafter entered into a Stipulation by which the board agreed to issue and Mr. Pischke agreed to accept a limited certificate to practice as a physician's assistant. Based upon the Stipulation, the Medical Examining Board granted the limited certificate by its Order dated March 16, 1994. The term of the certificate was for six months.

On September 22, 1994, Mr. Pischke appeared before the board in support of renewal of the limited certificate. The board considered the matter on that date, and orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the limited certificate of Michael A. Pischke to practice as a physician assistant in Wisconsin is hereby renewed, subject to the following terms and conditions:

1. The term of the certificate shall be for six months. Mr. Pischke shall appear before the board at the end of six months in support of any petition to renew the certificate.

Dated this 4 day of nt, 1994.
